## **Lighthouse Commodities, LLC Hires Adam Jackson as Director of Commodities**

BISMARCK, NORTH DAKOTA (May 1, 2023) – Lighthouse Commodities, LLC, provider of professional merchandising and related services for farmers, today announces the appointment of Adam Jackson to Director of Commodities. Adam will lead grain sales activities in his new role, including customer relationships, trading decisions and execution on over 40 million bushels of annual grain sales.

“We’re thrilled to be adding Adam’s experience and abilities to the Lighthouse team. His dedicated focus on grain sales means a better experience for customers and more opportunities for our farmer-clients,” said David Spickler, President of Lighthouse Commodities.

Mr. Jackson joined Lighthouse Commodities in 2023 after `15 years of experience in the grain and feed industry. He brings a multitude of experience in key sectors such as origination, merchandising, crop insurance, and risk management.

“It is a rare and unique opportunity to join a team like Lighthouse Commodities. I look forward to sharpening our ability to provide value for our farmers and expanding our ability to make an impact,” said Adam Jackson, Director of Commodities.

### **About Lighthouse Commodities, LLC**

Lighthouse Commodities, LLC (LHC) has been providing professional merchandising to farmers since 2015, equipping them with the same tools and resources the rest of the grain supply chain utilizes. To date we’ve marketed over 130 million bushels of farmer-client grain and evolved to include our own futures brokerage, analytics department, proprietary algorithms, freight brokerage and numerous other improvements. These Lighthouse advantages are part of a farm marketing service unlike anything else in the industry and we provide that service to farmer clients with over 700,000 acres of annual production.
